Dear Resident of Winteringham

VE Day Celebrations 75th Anniversary

Like so many organisations we were looking forward to joining with the local community to celebrate the 75th anniversary of VE day on May 8th.

As part of this we have been researching the World War II Pill Box that sits in front of South Ferriby Cement Plant. With this letter is attached a leaflet which I hope you will enjoy reading.

When you have an opportunity to drive past the plant you will see that we have tidied up the vegetation around the pill box so that you can see it again.

You will also have on your website a Special Edition of Community Matters which we published last month.

I am particularly pleased to confirm that we are continuing to deliver clay for the flood defences. Contact details for me are on the back of the leaflet.

I hope you and your family stay safe during this challenging time.

With kind regards.

Yours sincerely

A handwritten signature in black ink, appearing to read "Piotr Klepak".

Piotr Klepak
South Ferriby Plant Director
